*Four mysterious letters change Miranda's world forever.*

By sixth grade, Miranda and her best friend, Sal, know how to navigate their New York City neighborhood. They know where it's safe to go, like the local grocery store, and they know whom to avoid, like the crazy guy on the corner.

But things start to unravel. Sal gets punched by a new kid for what seems like no reason, and he shuts Miranda out of his life. The apartment key that Miranda's mom keeps hidden for emergencies is stolen. And then Miranda finds a mysterious note scrawled on a tiny slip of paper:

*I am coming to save your friend's life, and my own.  
I must ask two favors. First, you must write me a letter.*

The notes keep coming, and Miranda slowly realizes that whoever is leaving them knows all about her, including things that have not even happened yet. Each message brings her closer to believing that only she can prevent a tragic death. Until the final note makes her think she's too late.

*From the Hardcover edition.*

### From reader reviews:

#### Joshua Lippert:

This When You Reach Me book is simply not ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book will be information inside this publication incredible fresh, you will get details which is getting deeper you actually read a lot of information you will get. That When You Reach Me without we understand teach the one who looking at it become critical in imagining and analyzing. Don't possibly be worry When You Reach Me can bring if you are and not make your case space or bookshelves' come to be full because you can have it in the lovely laptop even mobile phone. This When You Reach Me having excellent arrangement in word in addition to layout, so you will not sense uninterested in reading.

#### Anthony Flowers:

Nowadays reading books become more and more than want or need but also become a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of book you read, if you want drive more knowledge just go with education books but if you want really feel happy read one along with theme for entertaining for example comic or novel. The actual When You Reach Me is kind of reserve which is giving the reader unpredictable experience.

#### Rose Davies:

Reading a publication tends to be new life style in this era globalization. With looking at you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can share their idea. Publications can also inspire a lot of people. A lot of author can inspire all their reader with their story or perhaps their experience. Not only the storyline that share in the ebooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors on this planet always try to improve their ability in writing, they also doing some exploration before they write for their book. One of them is this When You Reach Me.

#### Doris Garcia:

Many people spending their time frame by playing outside using friends, fun activity using family or just watching TV the entire day. You can have new activity to enjoy your whole day by reading a book. Ugh, do you think reading a book can actually hard because you have to bring the book everywhere? It ok you can have the e-book, getting everywhere you want in your Smartphone. Like When You Reach Me which is getting the e-book version. So , try out this book? Let's notice.
