College sweethearts London Uphill and Jared Kraft were inseparable. He was a rising baseball star with a promising future, and she seemed destined to become “Mrs. Kraft.” Then a tragic night and a series of devastating mistakes caused Jared to walk away from his life, leaving London without any explanation and tearing the couple apart.

Five years later, Jared has reinvented himself by putting down the bat and picking up a guitar to play for the red-hot band Wicked White. In all that time, London hasn’t gotten over her forever love—or the pain—despite seeking solace in the arms of the one man no one dreamed she’d run to.

When Wicked White’s lead singer goes MIA, Jared finds the time—and courage—to return to his hometown and face the mess he made. He’s shocked at how London’s life has changed, yet he’s determined to prove their love is worth fighting for. Is this breakup too big for any hope of a reunion tour? Or can London open her heart to Jared once again?
