The Yorkshire Terrier is wildly popular today. They are a toy-size dog that is spirited, energetic, intelligent, charming, devoted and absolutely loves to cuddle.

They are easy to care for and considered one of the best dog breeds for people that suffer from allergies. However, they do have some unique considerations owners have to keep in mind, and because of their size they are a very fragile dog.

Bringing home a new Yorkshire Terrier puppy can be a fun and memorable time. It can also be a lot of work filled with a whole new set of responsibilities. This guide will help you maneuver through those first few weeks and months with your new best friend.

You will learn everything you need to know so that you are well prepared from what supplies you will need and how to puppy proof your home so your Yorkshire Terrier is safe, to potty training, what food to feed and how much, bathing tips, pros and cons of puppy insurance and more.

You will also learn the best way to train your Yorkie puppy.

Before you are finished you will be shown the best ways to teach your new Yorkshire Terrier puppy tricks and know how to properly exercise them.

Finally, we will finish with a very poignant Puppies Ten Commandments.

You will find this a very helpful and thorough guide, essential to making sure the transition for you and your family and new Yorkshire Terrier puppy is as positive and successful as possible.
