Living with God

We now live in the world wherein everyone has become so busy with their own personal lives. We are very preoccupied with worldly things that we often take for granted the true essence and purpose of life. Every day we engage ourselves in work and activities, we do not even spare a minute to whisper a prayer of thanksgiving.

This book recognizes this problem. With this, the book aims to help you restore your relationship with the Lord and with your fellow Christians. Through this book, you will gain insights about the fundamental things written in the Bible that will serve as your foundation in strengthening your relationship with God. This will serve as your guidance as you begin investing on your spiritual life.

The book begins with an introduction of the basic things you need to know. It gives you a glimpse of the topics that will be discussed in the book. The first chapter introduces you to our creator. It gives you a background of his characteristics and identity. Chapter two begins by giving you a brief summary of how man has sinned and how we continue to sin despite his greatness in our lives. The third chapter informs us of the only solution there is to our sins. Finally, the book concludes with a reminder that despite the many things that we need to do, we must not take for granted our relationship with God.

This book will be your tool as you grow more in Christ. As well as becoming an instrument for you to be the faithful Christian that the Lord has always wanted his children to be. By purchasing this book, you are a step closer to the paradise that God has promised especially to those who believe in him.
