**God and Wealth:The Rise and Fall of Nations** Mr. Nicholas Christos Georgalis

Why must man fear God? What is the purpose of government? What is the purpose of wealth? Why do nations rise and fall? What happens to the soul of a soldier who kills his enemy? What is the second sin committed by man after his Creation? Does man have free will and why should man obey the law? Why are some nations wealthy and other nations poor? Are improvements in productivity ethical when they lead to unemployment? Why are there wars? Is slavery ethical and moral? Why is there poverty? Is charity ethical and moral? Is abortion a sin? What is the future of mankind? This book answers these and other provocative questions by presenting an internally consistent and cogent philosophy.
