## **Romeo and Juliet (Wordsworth Classics)** William Shakespeare

Edited, introduced and annotated by Cedric Watts, Professor of English Literature, University of Sussex

Love, sex and death are the components of Shakespeare's classic story of the love of two young people which reaches across the barriers of family and convention. It encompasses great love, high drama, low comedy and a tragic ending. Romeo and Juliet is a pure tragedy of youth told in verse that is both youthful and intense. The loveliness and the music of the poetry make believable the otherwise commonplace afflictions of blighted love.
