Though it's been 2,000 years since Jesus Christ walked on this earth, He is still at the center of historical discussions and experts on all sides agree on more facts about him than you or I might realize. In this interview with Dr. John Dickson, an Australian historian and evangelist and an expert on the life of Jesus, we will find out why so many secular historians study Jesus' life and actions and how we personally can promote the gospel of Jesus. /// This is a great Christian product sourced from BIML - Bible In My Language, the leader in foreign language Bibles and outreach materials from Baltimore, Maryland in the USA.
