From Book 1:

What do you do when home isn't home any longer?

With memories of her cheating fiancé at her heels, Jen returns to the sleepy New Hampshire town she grew up in. All she wants is some time to recover from her pain. Unfortunately, her once quiet town has changed.

Unknown to her, shifters of all types now roam the streets.

Even crazier, Jen finds herself face to chest with one of the most gorgeous men she's ever seen. All thoughts of her ex fly from her mind when the mysterious Liam introduces her to his world.

When what you want is forbidden, do you fight for it any less?

On the hunt to stop his sister, Liam finds himself driven to distraction by the alluring human, Jen. Consumed by thoughts of her, his mission takes a back seat as he finds any excuse to spend time at her side.

His inner wolf wants to taste this amazing woman...
But his duty demands he resist.

Is it possible to complete his mission before he gives in, or will this wild shifter sink his teeth into a human he's forbidden from touching?

--From the Author-- This is the first novella in an ongoing story that is complete and free in Kindle Unlimited! It contains explicit scenes, fang-hungry alpha men, and just a bit of sass from one curvy girl.
