## **Cinco novelas (NARRATIVAS) (Spanish Edition)** Graham Greene

«No soy un teórico, ni un filósofo. Soy un narrador». Así se autodefinía Graham Greene, escritor dotado de una capacidad única para crear elaboradas e intensas novelas protagonizadas por personajes de una extraordinaria riqueza psicológica y moral, como ponen de manifiesto las cinco novelas aquí reunidas: Brighton Rock (1938), El agente confidencial (1939), El tercer hombre (1949), El americano impasible (1955) y Nuestro hombre en La Habana (1958). Todas ellas suponen una magnífica oportunidad para disfrutar de algunos de los mejores novelas de intriga de la literatura contemporánea, y demuestran la enorme facilidad de Greene para atrapar a su público. No es casual que hayan sido adaptadas al cine, algunas incluso en más de una ocasión.

En estas cuidadas historias ambientadas en los lugares más diversos (las zonas más sórdidas de la ciudad de Brighton, la arrasada Viena de la posguerra, Indochina o la Cuba prerrevolucionaria), Graham Greene examina con una sorprendente fluidez y dinamismo las debilidades humanas en un mundo poco comprensivo e indulgente con el individuo.

**Graham Greene** (Berkhamsted, Reino Unido, 1904 – Vevey, Suiza, 1991).

Escritor, crítico y guionista británico condecorado con la Orden de los Compañeros de Honor y con la Orden de Mérito del Reino Unido, concedidas respectivamente en 1966 y en 1986 por la reina Isabel II. En 1925 se graduó en Historia por la Universidad de Oxford e inició una brillante carrera periodística que le llevaría a trabajar como corresponsal del Nottingham Journal y a ascender hasta el cargo de subeditor del prestigioso rotativo The Times. A partir de 1929 combinó el periodismo con la literatura, siendo algunas de sus novelas más reconocidas las que se publican en este volumen, así como El poder y la gloria, El ministerio del miedo o El cónsul honorario. Fue también autor de piezas teatrales, narraciones breves y poesía.

The inside or content is definitely fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.

#### **Cheryl Reese:**

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Cinco novelas (NARRATIVAS) (Spanish Edition) can make you experience more interested to read.
