Counterpoint (Song of the Fallen Book 1) Rachel Haimowitz

It is the twilight of mankind. Depleted by generations of war with a race of dark beasts, humanity stands on the brink of extinction. The outlands are soaked with the blood of the fallen. The midlands are rotting with decadence and despair.

Elfkind, estranged by past crimes, watches and waits for nature to run its course.

And then the two collide.

Ayden's life has long been guided by two emotions: love for his sister, and hatred of all things human. When he's captured in battle, he is enslaved in the service of a human prince, Freyrik Farr. Freyrik's always known elves to be beautiful and dangerous, but never has one affected him as deeply as Ayden. Teetering on a dagger's edge between duty and high treason, Freyrik discovers that some choices can change a life, and some an entire world.

Between prejudice, politics, pride, and survival, Ayden and Freyrik must carve a new path, no matter how daunting. For nothing less than the fate of both their peoples rests on the power of their perseverance—and their love.
