Lady Scarface 2 Divine Ortiz

The streets of Atlanta had no idea what hit them...until it was too late. Lady Scarface thought everything was going great...until she was arrested for murder. Tiana brings her crew to Atlanta and the streets will never be the same again. By the time the streets realize what has happened, it is too late. The New Yorkers encounter some resistance along the way, but it's nothing that they can't handle. They do what they do when it comes to obstacles...remove them. Life is good for Lady Scarface, until she is arrested...for murder. On the streets, guns and death have solved all of her problems in the past, but her Desert Eagles wont help her in the Atlanta City Detention Center, nor will they help her in the courtroom, where she is fighting for her life.
