Max Weber (International Library of Essays in Classical Sociology)

Max Weber is a magisterial figure in the social sciences. His fundamental contributions to the methodological and conceptual apparatus of sociology remain of continuing relevance to contemporary debates. His astonishing range and quality of work on topics ranging from the comparative sociology of religion to political sociology, and the sociology of law to the sociology of music, have established Weber as a permanent point of reference for modern scholarship. Scholarly debates on the nature, significance and purpose of Weber's work demonstrate a significance for sociology's self-image that extends beyond their immediate interpretive importance. This volume, edited by one of the world's leading Weber scholars, offers an unparalleled selection of key Weber scholarship organized thematically and spanning the range of his sociological influence.
