**Norwood** Charles Portis

**Out of the American neon desert of Roller Dromes, chili parlors, country music, and girls who want “to live in a trailer and play records all night” comes ex-marine and troubadour Norwood Pratt.**

Sent on a mission to New York he gets involved in a wild journey that takes him in and out of stolen cars, freight trains, and buses. By the time he returns home to Texas, Norwood has met his true love, Rita Lee, on a bus; befriended the second shortest midget in show business and “the world’s smallest perfect fat man”; and helped Joann “the chicken with a college education,” realize her true potential in life. As with all Portis’ fiction, the tone is cool, sympathetic, and funny.
