## **Poser** Marley Gibson

I'm Chai Devareaux. By day, I'm your average senior at Miami's South Beach High. I love hanging with my friends at the beach, and I work hard to keep up my grades so I can get in Columbia University in the fall. But every afternoon and night? I transform into the model in front of the camera with the smoky eyes, perfectly styled hair, and fitted designer clothes. I'm the girl in all the hottest clubs where the beautiful people frequent and the fashion photographers gather. I'm the girl who everyone else wants to be. The problem is it's not my dream. I want to be a doctor. But try telling that to my mother, 80's supermodel icon, Claire-Ann Devareaux, a hard-living, hard-loving plastic surgery addict who's still chasing what's left of the limelight. And it makes my life a living headache. Even hooking up with hot teen supermodel Ty Willingham hands me more challenges than ever. Yeah, I might look like I have it made, but it's just the role I play. I'm such a poser. Warning: contains mature content, 18+.

### From reader reviews:

#### **Mary Richie:**

In other case, little people like to read book Poser. You can choose the best book if you like reading a book. Provided that we know about how is important some sort of book Poser. You can add expertise and of course you can around the world by a book. Absolutely right, due to the fact from book you can recognize everything! From your country until eventually foreign or abroad you will end up known. About simple factor until wonderful thing you may know that. In this era, you can open a book or searching by internet device. It is called e-book. You can utilize it when you feel bored to go to the library. Let's read.

#### **Lillian Robbins:**

Reading a guide can be one of a lot of action that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new details. When you read a guide you will get new information mainly because book is one of various ways to share the information or maybe their idea. Second, studying a book will make a person more imaginative. When you studying a book especially fictional works book the author will bring you to imagine the story how the personas do it anything. Third, it is possible to share your knowledge to other individuals. When you read this Poser, you can tells your family, friends as well as soon about yours guide. Your knowledge can inspire the mediocre, make them reading a book.

#### **Susan Jun:**

Exactly why? Because this Poser is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book alongside it was fantastic author who also write the book in such remarkable way makes the content on the inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of positive aspects than the other book have got such as help improving your ability and your critical thinking way. So , still want to hold off having that book? If I were you I will go to the publication store hurriedly.

#### **Frances Sitz:**

Is it you who having spare time subsequently spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This Poser can be the response, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these ebooks have than the others?
