Rabbit Plants the Forest Deborah L. Duvall

Rabbit Plants the Forest is an adventure story based on characters from Cherokee tradition, including Ji-Stu (Rabbit) and his friends Otter, Sa-lo-li (Squirrel), and the mysterious Wampus Cat.

Ji-Stu, the Messenger for all the animals, is asked by Otter to tell Sa-lo-li it is a good day to plant. Much to his delight, Ji-Stu is invited to help Sa-lo-li plant the hickory nuts, walnuts, pecans, and acorns that will become new trees, keeping the forest thick and beautiful. Ji-Stu and Sa-lo-li only laugh when the elderly squirrel White Oak warns them to watch out for Wampus Cat. Before the planting is done, their laughter turns to fright as they narrowly escape with their lives!

Based on the ancient Cherokee teaching that squirrels keep the woods alive and should not be hunted, *Rabbit Plants the Forest* combines Jacob's color paintings and a blending of Cherokee mythology with scientific facts about animals and their places in our world.

From reader reviews:

Arthur West:

Here thing why this specific Rabbit Plants the Forest are different and dependable to be yours. First of all reading a book is good but it depends in the content from it which is the content is as scrumptious as food or not. Rabbit Plants the Forest giving you information deeper and in different ways, you can find any book out there but there is no publication that similar with Rabbit Plants the Forest. It gives you thrill reading through journey, its open up your eyes about the thing that happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your approach home by train. Should you be having difficulties in bringing the printed book maybe the form of Rabbit Plants the Forest in e-book can be your alternative.

Lewis Dall:

Information is provisions for individuals to get better life, information today can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider whenever those information which is in the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you receive the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take Rabbit Plants the Forest as the daily resource information.

Bess Malloy:

Reading a e-book can be one of a lot of activity that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people love it. First reading a book will give you a lot of new information. When you read a guide you will get new information mainly because book is one of many ways to share the information or their idea. Second, studying a book will make anyone more imaginative. When you reading a book especially fiction book the author will bring that you imagine the story how the characters do it anything. Third, you can share your knowledge to other people. When you read this Rabbit Plants the Forest, you may tells your family, friends and soon about yours guide. Your knowledge can inspire average, make them reading a e-book.

David Baker:

Do you like reading a e-book? Confuse to looking for your preferred book? Or your book ended up being rare? Why so many issue for the book? But any kind of people feel that they enjoy for reading. Some people likes examining, not only science book but also novel and Rabbit Plants the Forest or perhaps others sources were given understanding for you. After you know how the great a book, you feel wish to read more and more. Science guide was created for teacher or maybe students especially. Those publications are helping them to add their knowledge. In other case, beside science publication, any other book likes Rabbit Plants the Forest to make your spare time much more colorful. Many types of book like this one.
