Japanese Dragons: Coloring Book Raia Iotova

Japanese dragons are diverse legendary creatures in Japanese mythology and folklore. Japanese dragon myths amalgamate native legends with imported stories about dragons from China, Korea and India. The style of the dragon was heavily influenced by the Chinese dragon. Like these other Asian dragons, most Japanese ones are water deities associated with rainfall and bodies of water, and are typically depicted as large, wingless, serpentine creatures with clawed feet. The modern Japanese language has numerous "dragon" words. One of my ways to meditate is to draw. In this little book I offer you my meditations focused on Japanese Dragons. Yours will be the pleasure to color them with your favorite colors. Have fun!
