Giacomo Leopardi

**Pensieri (Firiwizzo Meista) (Italian Edition)** Giacomo Leopardi

I *Pensieri* di Giacomo Leopardi, una raccolta di centoundici riflessioni sull'uomo e la società, uscirono postumi nel 1845 a cura dell'amico Antonio Ranieri. Molti progetti leopardiani vennero via via abbandonati dall'autore stesso, sopraffatto dall'insorgere di nuove idee; i *Pensieri* tuttavia appartengono alle iniziative interrotte per cause esterne. A Napoli, infatti, dove il poeta si trovava in compagnia di Ranieri dal 1833, la stampa delle sue *Opere* presso Starita viene interrotta, e così anche la pubblicazione dei *Pensieri*, a cui Leopardi intendeva affidare le sue riflessioni sul carattere degli uomini e la loro condotta in società, come si esprime egli stesso pochi mesi prima di morire, nel 1837, in una lettera a De Sinner.

Il filosofo morale non può distogliere lo sguardo dalla condizione in cui l'uomo si dibatte: è da questo convincimento che nasce quel “machiavellismo di società” che Leopardi intende mettere in risalto attraverso queste sue riflessioni. I *Pensieri* sono un modo originale di riutilizzare materiale dello *Zibaldone* e fanno da eco alle *Operette morali* e al *Discorso sopra lo stato presente dei costumi degl'Italiani*: tutti scritti accomunati dalla tensione civile e morale che animano il pensiero filosofico di Leopardi.

Questa edizione digitale presenta le caratteristiche della collana *Firiwizzo Meista* diretta da Giuseppe Landolfi Petrone: l'innovativa struttura del testo basata sulla numerazione dei paragrafi e un apparato di note essenziale, che rimanda per quanto possibile a risorse disponibili in rete.
