NOTE: This edition has a linked "Table of Contents" and has been beautifully formatted (searchable and interlinked) to work on your Amazon e-book reader, Amazon Desktop Reader and your ipod e-book reader.

Saint Thomas Aquinas of the Order of Preachers (1225–1274): A Biographical Study of the Angelic Doctor. With five illustrations. A life of Saint Thomas Aquinas by a fellow Dominican friar. First published in 1911.

Such a biography is especially opportune in our day, on the revival of scholastic learning in the domains of Philosophy and Theology, of which Saint Thomas was the highest exponent, while he stands supreme as the patron of the Christian Schools.

“GOD is wonderful in His saints” (Psalm 67:36). A saint’s life is one of God’s most wonderful products, because it is the development of the Divine life within the natural man, and in no common measure.

This memoir is based on the accounts left by two of the saint’s brethren, once his disciples, William de Tocco and Ptolomeo de Lucca, who to their personal witness added the Reports of the Commissions held by three Cardinals in Rome, and by the Archbishops of Naples and Capua, and the Bishop of Viterbo in their respective dioceses, on the holy doctor’s decease.

Further details have been gleaned from the pages of Père Tournon, Vie de Saint Thomas d’Aquin, issued in quarto in 1741; also from materials supplied in the life of Blessed Albert, who was the saint’s chief teacher.

A must-have for Catholics!
