**"Julia's whole body trembled with anticipation, yearning to feel him deep inside her"**

On holiday in Nice, France, Julia Garner has an unexpected run in with the handsome Gabriel Durand, who was the owner of the La Grande hotel where Julia and her friend was staying at. The sparks fly from the first moment Julia and Gabriel laid eyes upon each other. Not use to woman treating him in such a cold manner, Gabriel finds himself highly intrigued by the fiery Julia and does everything in his power to pursue and get to know her, but Julia wants nothing to do with him.

Thinking him to be a pompous womanizer, Julia neatly evades every attempt Gabriel makes to get to know her, though Gabriel is one persistent man and refuses to give up. After the tension between them escalates to unbearable heights, Gabriel confronts Julia and forces her to face the truth of the feelings in her heart.

Will Gabriel be able to break through Julia's cold exterior and win her heart? Or will Julia teach the rich billionaire that not every woman swoons before a man with money?

## **Excerpt:**

Nibbling softly on the pink lusciousness of her nipple, Gabriel used his tongue to stroke and tease the tip of her nipple, while suckling on the creaminess of her breast. The more he nibbled and suckled on her breast, the shorter and more irregular her breathing became, finding herself lost in a sea of ecstasy. Unable to take another moment of sweet torture, Julia slipped her hand inside his swimming trunks and firmly folded her hand around his sizable manhood. Firmly holding the thickness of his long member in her hand, she deliberately started moving her hand up and down, while rubbing her thumb over the tip thereof. Gabriel's whole body stiffened under her touch, as shocks of pleasure shot up from his loins. Moving her hand up and down with greater speed, she gently applied more pressure around his member, while using her other hand to cup and play with his testicles.
