In the eighth volume of Chi's Sweet Home, Chi is growing up and now that she has a sense of her new surroundings, the little shorthair is ready to make this new neighborhood her own. With the help of her furry feline friend Cocchi she embarks on some of her more ambitious trips yet. Being a curious and increasingly self-reliant kitty, priority number one has always been locating food sources. Sometimes achieving this is not very easy or safe for kittens, but lessons have to be learned. What Chi will have to soon find out is that doors are made to be closed. Strolling into random homes, sheds or cars is a big no-no because you may never make it out again. In one such case, Chi gets in; finds what's she was not looking for; is locked in; and eventually has to face off with a grumpy old human!
