Typhoon: Top 100 Classic Novels (Top 100 Classic Novels - Joseph Conrad) Joseph Conrad
Typhoon Joseph Conrad Typhoon is a novel by Joseph Conrad, begun in 1899 and serialized in Pall Mall Magazine in January–March 1902. Its first book publication was in New York by Putnam in 1902; it was also published in Britain in Typhoon and Other Stories by Heinemann in 1903. Typhoon is a classic sea yarn, possibly based upon Conrad's actual experience of seaman's life, and probably on a real incident aboard of the real steamer John P. Best. It describes how Captain MacWhirr sails the Siamese steamer Nan-Shan into a typhoon—a mature tropical cyclone of the northwestern part of the Pacific Ocean. Other characters include the young Jukes - most probably an "alter ego" of Conrad from the time he had sailed under captain John McWhir - and Solomon Rout, the chief engineer. The novel classically evokes the seafaring life at the turn of the century. While Macwhirr, who, according to Conrad, "never walked on this Earth" - is emotionally estranged from his family and crew, and though he refuses to consider an alternate course to skirt the typhoon, his indomitable will in the face of a superior natural force elicits grudging admiration.
