CORPIRATES' Economic Wars Against USA's Peasants (Black & White edition): The Corpirates' Industrial Complexes US Tax Payers Made to Pay For Loss Of Freedoms & Lives (Volume 1) Darell Thorpe

Corpirates' Economic Wars Against USA's Peasants -The Corpirates' Industrial Complexes - US Tax Payers Made to Pay For Loss Of Freedoms & Lives, volume 1, (Black & White edition). This is a study of different global complexes: The Military Industrial Complex, warned against by President Dwight D. Eisenhower, 1961. The Judicial Industrial Complex, Prison Industrial Complex & others in Media, Educational, Food, Medical & Pharmacy, Engineering, Monetary-Tax, Environmental, Transportation, Governments, & the rise of a global Religious Industrial Complex, called The New Age Movement. Each have far reaching tentacles of the world regime. Tentacles that extend & reach into each others' complexes, & that extends out to influence the different agendas at work in the world regime. It's often also called the New World Order, World Order, Globalization, 1 World Government, World Union, & Global Governance. This is an on going story, & study of historical examples of: "Legalized" murders! "Legalized" thefts! "Legalized" greed, plunder & confiscations! "Legalized" corruption! "Legalized" frauds! "Legalized" treasons! "Legalized" deceptions! "Legalized" lawlessness! "Legalized" abuse of powers! There are many things being done by different ones in power in the different complexes, that seem to have bought up "protection," or are immunizes from legal actions being taken against them, to a certain extent. For the Elites & their agents, don't seem to have to face up & pay the consequences of the sufferings, & harm being done to the global peasantry. The world is now being swallowed up by a headless Acephalous monstrosity of the Corpirate\$' Industrial Complexes! With long far reaching tentacles engulfing the whole planet, like the old sea creatures of earlier centuries. Thus, an Acephalous corpirate\$ conglomerations of corporatism has swallowed up this earth. Moreover, an on going ECOWAR, or economic-war continues to rage & to ruin America's economy, infrastructures, & the basic unit, the traditional family. Plus, to destroy national sovereignty, the bill of rights, & the constitution now hanging by a thread. All this has been done, & still is, at USA's tax payers' expenses! Americans' tax dollars goes to build up & reconstruct other nations' armies, infrastructures, & fuel, build factories & help America's "enemies." To build up "tyrants in reserve," that America's troops then have to go & fight against, when Globalists want to pull the tyrants out of reserve. When this happens, the Globalist-monopolists then have the Media Industrial Complex to vilify the tyrants, so as to rally America's patriotism in order to justify another prolonged war against the very "enemies" USA's tax payers money helped build up in the first place. To then have more taxes taken from the peasantry in order to "fight" against the new "enemies." Numerous cases of this on going tactic are presented on up to current events. This 2014 rough draft has been up-dated & published on 12-7-2015, in memory of the attack on Pearl Harbor, world war 2. Volume 2 will continue where volume 1 left off. This study was written for those seeking to try to understand what is going on in this country & the world. To answer the whys as to why Americans' civil liberties & other freedoms are in danger of being all lost. It's a witness & warning, a testimonial, that approaches the whole drama from different angles by presenting cases in history. Plus, from prophetic warnings, from the research of political analyzers, eye witnesses, & radio guests that have been on different shows, sounding the warnings to a sleeping America to wake up & repent, change, & get involved in the cause for freedoms. Plus, from visions of the possible future through Near Death Experiences, where

different ones claim to have been shown visions of where America & the world is heading, if we don't change for the better. May the reader be open minded & prayerful in reading this rough draft, is my hope. DT
