The First Conspiracy ... The Last Conspiracy ... The Ultimate Conspiracy ...!!! What did Jesus tell his followers during the Last Supper? The Four Gospels offer limited clues, despite the obviously profound importance of this event. Faced with an impending arrest, Jesus knew that he'd never again be able to address those closest to him. Yet for 2,000 years, one of the greatest enigmas of our time has remained cloaked in mystery. What words of wisdom did this profound teacher disclose to his adherents? Now, in his most controversial book yet, Victor Thorn provides an epic, brutally honest portrait of the human condition that rivals anything ever placed on the printed page. Iconoclastic, and searing in its fearlessness, the veil of illusion is finally stripped away to completely expose the naked reality of our existence. One early critic stated that he wished every copy of this book would be burned so that no one else ever had the opportunity to read it. Thorn's words are more dangerous than any sword, and once the reader enters this battlefield of the mind, they'll emerge with insights that dramatically impact the way our past, present, and futures are viewed. Few books withhold the potential to change lives, but Jesus Speaks promises to open new vistas of understanding. This is major league conspiracy theory, and once this quest is embarked upon, a paradigm shift of undeniable proportions is sure to take place. A seductively disturbing journey into the heart of mankind's existence. Describing this book as unique is akin to calling the Great Sphinx just another monument. Liberating. Some of the topics included in Jesus Speaks: The sponsors of Jesus travels afar during his teenage years and early adult life, which lands he visited outside Israel, and the influential teachers that helped shape his world vision and philosophy. Who Jesus actually confronted in the desert after being baptized (prior to beginning his ministry). Proof of how the Genesis creation stories, as well as figures such as Moses and Abraham, were plagiarized from earlier cultures and mythologies. Who were the ultimate culprits behind this nefarious plot? Discover the ghastly results of these medical experiments gone awry. Learn how ancient Mystery Schools, secret societies, and select familial bloodlines established a control pyramid that stretched from Sumeria, Mesopotamia, Babylon, Egypt, Greece, and Rome.
