Protecting the Future (SEAL of Protection) (Volume 8) Susan Stoker

Wolf and his fellow SEAL team members have saved many lives, and been in even more harrowing situations, but their latest mission might prove the most difficult of all. Charged with rescuing American soldier, Sergeant Penelope Turner, from the clutches of ISIS, the men infiltrate the refugee camp where she's believed to be held. The conditions are horrific, the search nearly impossible, but Penelope herself could prove the key to their success...if the SEALs can interpret her clues.

An unforgiving desert, perilous mountain terrain, a rising body count and insurgents on the hunt...all of this and more stands between the SEALs completing their mission and returning home to their women, left to bravely deal with fears of their own stateside.

Sometimes a mission is more than one team can handle. With a little help from newfound friends, the SEALS won't stop until they've won the day. Failure is not an option.

** Protecting the Future is the 8th and final book in the Seal of Protection Series. Each book is a stand-alone, with no cliffhanger endings.
