The Dark Bride: A Novel Laura Restrepo

Once a month, the refinery workers of the Tropical Oil Company descend upon Tora, a city in the Colombian forest. They journey down from the mountains searching for earthly bliss and hoping to encounter Sayonara, the legendary Indian prostitute who rules their squalid paradise like a queen. Beautiful, exotic, and mysterious, Sayonara, the undisputed barrio angel, captivates whoever crosses her path. Then, one day, she violates the unwritten rules of her profession and falls in love with a man she can never have. Sayonara's unrequited passion has tragic consequences not only for her, but for all those whose lives ultimately depend on the Tropical Oil Company.

A slyly humorous yet poignant love story, *The Dark Bride* lovingly recreates the lusty, heartrending world of Colombian prostitutes and the men of the oil fields who are entranced by them. Full of wit and intelligence, tragedy and compassion, *The Dark Bride* is luminous and unforgettable.
