The Therapeutic Bible is an original edition, perhaps unique in the world today. A group of highly regarded Christian mental health professionals — supported by the Brazilian Body of Christian Psychologists and Psychiatrists and by the Bible Society of Brazil — have dedicated themselves to the task of commentating the therapeutic content of the biblical text, using their gifts and professional experience to explain how the Holy Scriptures foster our physical, mental, and spiritual health. This volume is the first fruit of this work in the English language, in the hope and prayer that the Wonderful Counselor will use it to help bring rest and relief to many souls who seek comfort from God's Word.
