*Eden Lost is Part Two of **The Hunter Wars** series*

The hunters have returned, but they're not the same as they were. Gears, Pax and TL decide they need to look for the problem in Eden and uncover more than they ever expected. Ruler is playing them all for fools, and Gears finds a unique solution to save America.

Gears, Pax and TL were soldiers in the U.S. army when the world was destroyed by a virus that turned most people into hunters. Hunters were fierce killers of all life, smart and hard to kill. The Devil took advantage of man's vulnerability and tried to take control of what little was left.

Our soldiers found a woman they named Ip who could kill hunters with a touch, and through her they learned they were more than mere men. As the Four Horsemen of the Apocalypse, they led man in a fight for their right to rule that man deserved another chance to live. When the Devil was defeated, Eden was restored on earth and peace reigned.

Eden Lost is the second part of The Hunter Wars series and follows directly on from part one, Hunter Wars. It can be read as a standalone series and is an exciting, fast-paced, unique take on the end of the world and the way the universe really works. Packed with great characters, humor and wild situations, it's a ride that you won't want to end.
