Description: 159 p. : ill. ; 28 cm. Subjects: Mansfield, Jayne, 1933-1967. Motion picture actors and actresses --United States --Biography. Notes: Translation of: Sex bomb. Abundantly photo illustrated throughout.

Jayne Mansfield was known as the smartest dumb blonde in the world. She was a star, but you rarely came across her movies. Actually, she was more a phenomenon than a star. This volume is * not * a biography. It's a collection of photographs from Jayne Mansfield's life and films, accompanied by her own comments about the events depicted. Her words are those of an intelligent yet insecure woman, who certainly received enormous attention, but who was never given the opportunity to make the films she was capable of making. She is the personification of Everyman's ideal, the unattainable goddess, cheerful and daring, platinum blond, with that broad mouth and incredible figure. She is a phenomenon who - though gone for more than 40 years now - will always be with us.
