The Last Place on Earth Carol Snow

Daisy and Henry are best friends, and they know all each other's secrets. Or, so Daisy thinks, until she wakes up one morning to find that Henry and his family have disappeared without a trace. Daisy suspects Henry's disappearance is connected to their seriously awkward meeting the night before, but then she finds a note from Henry, containing just the words "SAVE ME."

Deeply worried, Daisy convinces her unemployed brother to take her on a rescue mission into the California mountains. As they begin to home in on Henry's exact location, they also start to find some disturbing clues... clues that call into question everything Daisy believes she knows about her friend. Why is he so hard to find? What kind of trouble is he in, exactly? And most importantly, who is actually saving who?

From reader reviews:

Melinda Gregory:

What do you consider book? It is just for students since they are still students or this for all people in the world, what the best subject for that? Merely you can be answered for that query above. Every person has diverse personality and hobby for every other. Don't to be pressured someone or something that they don't desire do that. You must know how great along with important the book The Last Place on Earth. All type of book would you see on many solutions. You can look for the internet sources or other social media.

Willie Dreher:

As people who live in typically the modest era should be revise about what going on or information even knowledge to make all of them keep up with the era that is always change and progress. Some of you maybe will update themselves by looking at books. It is a good choice for yourself but the problems coming to an individual is you don't know which one you should start with. This The Last Place on Earth is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

Katie Grossi:

Information is provisions for individuals to get better life, information nowadays can get by anyone at everywhere. The information can be a know-how or any news even an issue. What people must be consider while those information which is from the former life are challenging be find than now's taking seriously which one is appropriate to believe or which one often the resource are convinced. If you have the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen within you if you take The Last Place on Earth as your daily resource information.

Kenneth Matson:
