Applying English Grammar.: Corpus and Functional Approaches Caroline Coffin, Ann Hewings, Kieran O'Halloran

This edited collection is about the application of English grammar and specialises in 'functional' and 'corpus' approaches, approaches which are increasingly recognised as providing significant insights into English language in action. It aims to stimulate interest and understanding of grammar as an applied tool not just for grammarians or language learners, but for all those interested in how language is organized to shape our view of events in the world.

As the chapters in this book show, functional and corpus approaches allow us to make observations that would not be amenable through more traditional forms of grammatical analysis. They also illustrate how researchers can fruitfully bring together corpus and functional approaches to reveal how grammar and lexis create and transmit values, identities and ideologies. Research in Critical Discourse Analysis (CDA) has a long tradition of drawing on functional grammar but has only relatively recently begun to draw on corpus linguistics. As such, the book is unusual in presenting work on CDA which draws on corpus linguistics. But not only that, it is also unique in presenting work in CDA which brings together the methodologies of corpus linguistics and functional grammar, demonstrating their combined potential for illuminating ideological perspectives, particularly in media texts.

Given this focus and given the increasing value of empirical data, the book will be of interest to those in a range of disciplines including the humanities and media and cultural studies.

Chapters comprise both newly commissioned and previously published works that illustrate the two methodological approaches to grammatical analysis and how they can be applied to deepen our understanding of language.

From reader reviews:

Gary Lewis:

What do you consider book? It is just for students because they are still students or the item for all people in the world, the actual best subject for that? Simply you can be answered for that concern above. Every person has different personality and hobby for every single other. Don't to be pushed someone or something that they don't wish do that. You must know how great along with important the book Applying English Grammar.: Corpus and Functional Approaches. All type of book could you see on many sources. You can look for the internet methods or other social media.

Omar Stewart:

What do you regarding book? It is not important to you? Or just adding material when you need something to explain what you problem? How about your extra time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They have to answer that question mainly because just their can do which. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this Applying English Grammar.: Corpus and Functional Approaches to read.

Theodore Dubose:

Here thing why this specific Applying English Grammar.: Corpus and Functional Approaches are different and reliable to be yours. First of all examining a book is good however it depends in the content than it which is the content is as delicious as food or not. Applying English Grammar.: Corpus and Functional Approaches giving you information deeper and in different ways, you can find any reserve out there but there is no guide that similar with Applying English Grammar.: Corpus and Functional Approaches. It gives you thrill reading through journey, its open up your current eyes about the thing that happened in the world which is maybe can be happened around you. You can actually bring everywhere like in recreation area, café, or even in your way home by train. If you are having difficulties in bringing the paper book maybe the form of Applying English Grammar.: Corpus and Functional Approaches in e-book can be your alternative.

John Montes:

Playing with family inside a park, coming to see the sea world or hanging out with good friends is thing that usually you have done when you have spare time, after that why you don't try thing that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Applying English Grammar.: Corpus and Functional Approaches, it is possible to enjoy both. It is very good combination right, you still desire to miss it? What kind of hang type is it? Oh can occur its mind hangout people. What? Still don't obtain it, oh come on its referred to as reading friends.
