Caught in the Middle

Ellastine Gray

Caught in the Middle Ellastine Gray

This book is concerned with two brothers - my sons, who sold drugs and were caught up in the lifestyle so much they even allowed me to participate in the game. They started out working for someone else and then realized it would be more profitable to work for themselves. They worked side by side for a while until they began to notice a change in one another - their situations changed. When things began to get heated up between them they pulled away from one another. When I found out that they were dealing drugs, I decided I wanted a "piece of the pie." I needed the money so I began working for them by transporting cash and drugs to the South. I grew more concerned with the frequent arguments between my sons. I love them both and found myself Caught in the Middle, and I didn't want either one of them to be angry with me. I continued to make drops for them, but soon recognized that Ollie's transactions were turning more and more threatening, even violent. Very soon all hell broke loose. Bernard and I traveled from Georgia to California taking care of business. The trips were frequent, and eventually the Feds were tipped off. I was stopped in the airport in Dallas, Texas. My luggage was pulled from the plane, seized and searched, and the consequences followed. The consequences gave birth to a spiritual awakening and a revelation that changed my life. The entire experience was life altering for me, my sons, and others. There is hope in a seemingly hopeless situation.
