How to Start Up and Make Money in a Small Engine Repair Business Mark E. Dotson

There is no better time to start a Small Engine Repair business than right now. With many of the older Technicians retiring from the industry, this has created a need for people with mechanical abilities to step in and maintain Outdoor Power Equipment. The Small Engine Repair business is a lot of fun and can be a money making business if you have the right plan, positive attitude and information to get you moving in the right direction. This book will provide a step by step guide to start your business. It will also show you tools that make your job much easier as well as marketing and sales methods to get your phone ringing. It will also help you avoid the pitfalls of this industry. Included are the secrets to finding the major suppliers and hard to find parts. This book covers opening and running your business from A to Z. Knowledge is power and having a proven business model to follow will jumpstart your business while other start-ups wonder what their next step will be. Let "Mark The Mechanic" show you how to grow a successful Small Engine Repair Business in your area!
