Beginning birders and experienced naturalists alike will enjoy this information-packed field guide, featuring 291 of the state's most abundant or notable bird species. For each, there is an accurate, full-color illustration, as well as detailed information on habitat, nesting, feeding, voice, similar species, best viewing locations, as well as a range map. A Quick Reference Guide, organized into color-coded groupings, helps the birder in the field find a species quickly and easily. The book also includes a map of the best birding sites in the states and describes a number of Ohio's most notable viewing locations. Also includes glossary, birder's checklist, and separate indexes for scientific and common names.
