## **David Sanders Mind Sharing** David Brown

David Sanders is a genius. He lives in a time when poor parents of brilliant children like him sell their children's intellectual ability in a new type of slavery. Up until now David has spent most of his day in a chamber not much bigger than a coffin so that one of the most powerful men on the planet can use David's incredible mind as his own. A new technology, cranial neuro knowledge sharing, allows anyone who can afford the price to have real-time sharing of knowledge from one person to another for limited periods. For years David was a willing participant and strong contributor to this way of life. Now all that is about to change and David Sanders will be transformed into someone very different. He is about to become the number one enemy of the state
