Feline Breeds - Kiss of Heat By Lora Leigh Book 3 in the Feline Breeds series. They've waited a decade to come together. Long years filled with unbearable pain, and soul-wrenching torment that have changed them both. Left wounds that have laid their souls bare. Wounds that stand one chance of healing if only they could stop fighting each other long enough for the truth to work its healing balm. Kane, a relentless warrior, lost more than his heart to Sherra in a night of mating passion that marked them both for life. But news of her death ripped his soul apart. For years he has fought to avenge the death of the woman he loved more than his own life, by revealing the deceit and cruelty of the Council that created the Breeds. But Sherra didn't die. In a cruel and evil twist she was convinced by her sadistic handlers that the man she had given her body, heart and soul to had betrayed not only her, but the child she carried and lost. Amid the rapidly escalating violence against the Feline Breeds, Kane and Sherra learn that there's more to mating than just the "heat", just as there's more to love than just the sex
