## **The Law of Global Custody: Legal Risk Management in Securities Investment and Collateral - Third Edition** Madeleine Yates, Gerald Montagu

The Law of Global Custody provides an introduction to, and a detailed analysis of, the law relating to global custody for all those, both new and experienced, wishing to manage legal risk in the field of global custody, cross border securities collateral, and the post trade infrastructure. This third edition has been fully updated to take account of the Markets in Financial Instruments Directive and also includes expanded material on the discussion of the Financial Collateral Directive, including references to the implementation in the UK by Financial Collateral Regulations. Carefully structured and clearly written, with annotations that provide helpful guidance to the reader, the work offers an accessible and authoritative account of this complex area.
