Caught (Caught in the Act Book 1) Robbie Michaels

Caught in the Act: Book One

When Adam's father catches him in bed with his best friend, he rips Adam away from his comfortable life in the city and sends him to a farm in the country, hoping some hard work will "fix" him. Adam is supposed to work with Ben, a hostile young man who clearly doesn't want him there, no matter how hard Adam tries to prove himself. When Ben kisses him, Adam is shocked and delighted but terrified his father will once again pull him away from a home he's grown to like.

As their relationship grows in secret, Ben promises to stay with Adam when school starts to help him get to know the place and the people. However, Amelia, a young woman Ben had dated, latches on to Ben again. Adam is furious at being abandoned to fend for himself on his first day in a new school. A physical confrontation with Amelia lands Adam in trouble again, and his father's involvement complicates all their lives. Betrayal and an uncertain future threaten Adam and Ben's budding summer relationship.
