God Is Red: The Secret Story of How Christianity Survived and Flourished in Communist China Liao Yiwu

In *God is Red*, Chinese dissident journalist and poet Liao Yiwu—once lauded, later imprisoned, and now celebrated author of *For a Song and a Hundred Songs* and *The Corpse Walker*—profiles the extraordinary lives of dozens of Chinese Christians, providing a rare glimpse into the underground world of belief that is taking hold within the officially atheistic state of Communist China. Liao felt a kinship with Chinese Christians in their unwavering commitment to the freedom of expression and to finding meaning in a tumultuous society, even though he is not a Christian himself. This is a fascinating tale of otherwise unknown personalities thriving against all odds. *God is Red* will resonate with readers of Phillip Jenkins' *The Lost History of Christianity* and Peter Hessler's *Country Driving*.
