## **La reforma rural para la paz (Spanish Edition)** Alejandro Reyes

En La reforma rural para la paz, Alejandro Reyes Posada, uno de los más destacados estudiosos del problema agrario en Colombia, presenta un completo análisis sobre el acuerdo de reforma rural que se ha discutido en los diálogos de paz en La Habana entre el Gobierno de Colombia y la guerrilla de las farc. Los lectores podrán encontrar un panorama del contexto del cual se desprenden los principales problemas y reclamaciones, los desafíos más importantes a superar para poner en práctica las soluciones propuestas y cuáles son las herramientas con las que cuenta el Estado colombiano para sacar adelante dicha reforma. Este es un libro clave para la coyuntura del país que permitirá entender los retos a los que nos tendremos que enfrentar en conjunto para sacar adelante el tema agrario en el posconflicto. Independientemente de lo que termine pasando en La Habana, Colombia cuenta ya con una hoja de ruta para, por fin, sacar el tema rural adelante.
