**Pudd'nhead Wilson** Mark Twain

**A Southern town scandalized by the murder of its most prominent citizen uncovers a mystery even more shocking in this ironic suspense story from a great American master**

Afraid for her infant son's life, a slave switches the boy with her master's child. A young New York lawyer fascinated by palmistry and fingerprint analysis moves below the Mason–Dixon line, makes a bad joke, and is immediately and forever branded a “pudd'nhead.” Two Italian noblemen pay a visit to Dawson's Landing, Missouri, and become prime suspects in the murder of a local judge.

From these disparate plot strands, Mark Twain fashions a humorous and entertaining tale with all the elements of the traditional murder mystery: a case of mistaken identity, a gruesome crime, a sinister villain, an eccentric detective, a climactic courtroom showdown, and an ingenious solution. But beneath this potboiler's pomp and circumstance lurks a clear-eyed and savagely compelling indictment of slavery and its poisonous effects on American society.

Twain's last novel set in the antebellum South, *Pudd'nhead Wilson* offers his clearest and most provocative condemnation of racial prejudice.

This ebook has been professionally proofread to ensure accuracy and readability on all devices.
