“Are you saying that I don’t affect you in any way?”

“Nope.” She fluttered her sooty lashes in feigned innocence and pouted her mouth.

“Well, you may deny it, but the traitorous responses of your lips and body prove otherwise.”

Temptation. Seduction. Revenge. Beautiful Kaitlyn Monroe never thought that her job as a personal shopper would land her a chance to bump into a dashing billionaire - Roy Hearst. Entirely fascinated by her beauty and intelligence, he lures the angelic, young lady into temptation by offering her a dare-devil proposal - to play the role of a social escort by his side. He just needs a date that he can string along to the socialite functions he is invited to attend. Believing in the pure innocence of the arrangement, Kaitlyn agrees to the 'scandalous' proposal for the sake of securing a better life and earning the money she needs for her university studies. Everything seems to proceed smoothly, until the day she finds herself in love with the charming yet forbidden billionaire bachelor. Love and commitment are words that never appear in the dictionary of Roy Hearst because he is one man who is able to get any woman he wants with a snap of his fingers. Moreover, he does not believe in mixing business with pleasure. Torn between her love for him and her desire to pursue her own dreams, she decides to pick the latter. Some years later, she returns with a burning desire to make the ruthless billionaire pay back for misleading her in his deceptive game of love. Will she succeed in turning the tables on him this time and finally, give him a taste of his own medicine?

Sweet Revenge (Seduction Romance Series, Book 1) is a passionate, delightful romance novel intermixed with dashes of angelic innocence, deception and some twists of humor. Perfect for fans of JS Scott, Kelly Favor, Sarah J. Brooks and Hannah Ford. \*\*\*
