The Trial (Roads Classics Edition)

Franz Kafka

The Trial (Roads Classics Edition) Franz Kafka

On his thirtieth birthday, Josef K. is arrested by two unidentified agents for an unspecified crime. In *The Trial*, Kafka brings us a nightmarish vision of the irrationality and blindness of modern bureaucracy in twentieth-century totalitarian regimes as the narrative is driven by a terrifying inevitability, driving the protagonist towards a meaningless and helpless demise. *The Trial* is an existential masterpiece that resonates strongly with modern audiences.
