Touch the Clouds is a series of short stories that were inspired by the cloud formations captured in photographs. This first story in the series, So Sorry I'm Tardy, is a great present for expecting parents and siblings. This cloud fairytale appeals to all ages. The photographs of clouds, offers the opportunity to find and create ones own story from the figures in the clouds. The title of the book was inspired by the quote " I'll remind him of his tardiness when he's a bit older." that was made by the Duke of Cambridge in reference to the overdue birth of his son Prince George. Coincidentally the photographs of the clouds and the illustrations seem to follow the timeline of Prince George. This book however is written in honor of all newborn babies who should be treated royally.
