What if there was a technique for sounding the personal name of God that could change the world?

This revised-edition book—featuring three all-new chapters on **Jonathan Goldman**'s recent discoveries regarding the Divine Name, including information on the Angel of Sound—is a step-by-step process of vibratory activation that will allow you to experience the power, majesty, and healing of this extraordinary sound. Also included are audio downloads of instructional material and a sacred sound invocation that will help you learn to intone and more powerfully experience the Divine Name yourself, enabling you to revel in its astounding transformational properties.

In this groundbreaking and award-winning work, Jonathan shares his incredible discovery of the Divine Name, a universal sound that, when intoned, can bring harmony and healing to ourselves and the planet. This sound, encoded within our DNA, is said to be the personal name of God, once found in the religious texts that link over half the world's population. Prohibited and then lost for nearly 2,500 years, the Divine Name is available once again. When vocalized, it is a sound that has the ability to resonate both the physical body and subtle energy fields of anyone who intones it—irrespective of religion, tradition, or belief. It has the power to usher in a new era of human consciousness, uniting us in healing, peace, and oneness.
