## **The Unofficial Guide to Using Apple Watch** Scott La Counte

The Apple Watch is like nothing Apple has ever offered; you know how to use an iPhone; you know how to use an iPad; you may even know how to use a Mac. But an Apple Watch will probably confuse you a little...at first. It's really not hard to figure out, but there is a learning curve. This book will make using it as easy as possible. Whether you bought the watch and want to learn how to use it, or you're thinking about making the purchase and want to see what it is about, then this guide is for you! It will cover the basics, how to customize it, popular accessories and apps available, and everything else you need to know to get the most from the device. Please note, while every effort has been made to ensure accuracy, this book is not endorsed by Apple and should be consider unofficial.
