New Dictionary of Christian Ethics Pastoral Theology

New Dictionary of Christian Ethics Pastoral Theology

Voted one of *Christianity Today's* 1996 Books of the Year! Especially in today's complicated world, moral practice and decision-making raise many hard questions. Dealing with those questions often requires wide-ranging understanding--in areas such as systematic and practical theology, psychology, economics, sociology and philosophy. For the first time, the *New Dictionary of Christian Ethics and Pastoral Theology* offers expert information and guidance across this range of disciplines--in a single volume. Besides hundreds of articles on specific issues, the *Dictionary* includes eighteen major keynote articles which provide a basic introduction to the main themes of Christian ethics and pastoral theology. These articles alone constitute a textbook of Christian ethics, excellently surveying that broad field. Written at a nontechnical and accessible level, this *Dictionary* will be consulted again and again by Christians from all walks of life.
