Turn to the page you wish to record.

Press the RECORD button. Listen to the instructions. When you hear a beeping sound, read the words on the page.

After you are finished reading the page, press STOP. You can re-record until you are satisfied with your recording. Repeat the process with the remaining pages of the book. You can also record a personalized message on the dedication page.

Set the locking switch behind the screw-on plate to ensure that your recording won't be inadvertently erased.

Three replaceable AAA batteries that power the sound module come with the book.

Please note that in order for the book to function properly it must be recorded on a flat surface and in a well-lit area, so that the holes located on the right side of the book have an unobstructed view of a light source. The same conditions are also required for proper playback.
